

STORM Gear – 2009

You love your school.
Now you can show your love!

Inside.....

- Clothing, coffee mugs, gifts and more!

STORM Gear

Our first e-Catalogue

Welcome to the first edition of Smithville District Christian High School's e-catalogue. In the next several pages you will find a variety of items in school colours featuring the school logos. These items have been chosen for maximum value and appeal and we hope you find something you would like to own or to give.

Most of the images in the catalogue were created by our supplier and feature the school logo pasted over a generic image from the supplier's own catalogue: in other words, the actual items, imprinted or embroidered with the SDCH logo, will appear slightly differently, but we expect they'll look even better than what you see here.

Why Storm Gear?

Smithville District Christian High School is a rich blessing in the lives of its staff, students and supporting community. School spirit wear and spirit gear help us make our appreciation visible. Even better, when you are drinking coffee from an SDCH mug at a hockey game or toting your books to the library in an SDCH bag, you might have a chance to strike up a conversation with someone about the school and what a blessing it is. You feel good about sharing your school pride, and you help to promote the school at the same time! We also plan to use some of these items (especially mugs and book bags) as promotional items for our school.

Consider giving Storm gear as gifts to your family and friends – especially those people who you know share your love for the school.

Pricing

We hope you agree that the prices are reasonable and the items deliver good value. In most cases, the items are being offered to you close to the actual cost from our supplier. That's because we want you to want to own them and share them. Don't see what you want? Check out page 7.

Black Cinch Pack

Popular and easy to carry, this black nylon pack with a drawstring closure and embroidered Smithville Christian Storm logo is a guaranteed favourite with teens.

14.5" W, 16.5" H
